

Ever heard about #Pizzagate ?

Each year, 10.000's of children disappear each - in the USA - and in Europe without a trace.

The article appeared in [Blend Of Loving Energies in English](#) and [here in German](#) language

A gigantic scandal has shaken the political Elite in Washington called #Pizzagate , because it is about child abuse and ritual murders of children in which people are involved, whose names are found in the highest circles.

As the media are completely silent and the minions of the established system deny such events and decry as conspiracy theories (which is always a good indicator for truth content) is why I want to explain what it's about and who is involved.

At the end of the article, the reader will have a very different view on these 'up there' ... and, possibly, on Pizzas also.

I recommend that young people should not read more, because what I am describing is nothing for young people with a pure heart and clean spirit.

Also not for someone faint-hearted.

The story begins with a phishing email sent by hackers to John Podesta, on which he fell for, and

without suspecting, disclosed a password to the hackers.

So hackers have gained access to all his Emails, and then downloaded and forwarded to WikiLeaks. WikiLeaks verified the authenticity of the Emails and published them in the run-up to the US election in 2016.

John Podesta, was in the White House as the chief of staff to Bill Clinton.

He headed the transition team of Barack Obama, organized the personnel selection and preparation, to take over the government after the successful presidential elections on November 4, 2008.

In December 2013, John Podesta was appointed again as a consultant in the White House. There he worked until April 2015, when he took over the management of the presidential campaign for Hillary Clinton.

So we see a close connection between John Podesta to two presidents, and to Hillary who wanted to be President.

He is clearly someone with a lot of influence and has access to all the important people. His brother Tony Podesta is also involved in the scandal and was referred to by CQ magazine as one of the most powerful people in Washington.

What happened then ?

Many activists in the US have been scouring the mail from John Podesta, which were on WikiLeaks accessible online, and some found that something seemed suspicious.

They believed to have discovered in the text of the Mails a 'Code' that has to do with Pizza and related food, to be a cant.

The whole affair got busted, as the infamous 'spirit of cooking' Email from the NY local Serbian born Marina Abramović (awarded by the Royal Academy of Arts in Burlington House in London, and the Austrian decoration of honour for science and art at the Viennale 2012), to Tony Podesta

was found.

Abramović is described as a performance artist, in fact, she used her 'art' as a cover for her occult and satanic rituals, including human sacrifice and perverse sexual practices.

In the following photo you can see Marina Abramović and Lady Gaga in a 'spirit of cooking', a ritual where human fluids such as blood, breast milk, urine, and sperm to be mixed and consumed.

This, to pay homage to the mind (spirit) of Satan.

In these satanic circles can be found many well - known names from the music and film industry, such as Gwen Stefani, Usher Raymond, Jay-z, Madonna and many more.

About such a 'satanic dinner,' it was in the Mail to John Podesta, the campaign Manager of HRC.

As an example, in a 'recipe' for a 'food', Abramović instructed women to insert a live fish in their vaginas and leave overnight in it, as preparation for a 'love potion'.

She is clearly a Satan worshipper and followed Aleister Crowley's specifications closely.

The code that was discovered in the Emails has to be decrypted and these are the keys as follows:

- **hotdog = boy**
- **pizza = girls**
- **cheese = little girl**
- **pasta = a small boy**
- **ice cream = male prostitute**
- **walnut = colored**
- **map = seminal fluid**
- **sauce = orgy**
- **domino' stands for bondage**

Here is an example of a sentence in the Mail from Susan Sandler to John Podesta with Wikileaks number 55433:

'The realtor found a hankerchief. I think it has a map that seems pizza-related.'

This sentence makes no sense, if you understand the words 'map' and 'pizza' in an unsuspecting meaning.

With the code-words, the message is:

'The broker has found a handkerchief. I think it's seminal fluid has that to do with a girl.'

Or to find this set in the Email 50332:

'Do you think I'll do better playing Dominos on cheese than on pasta?'

Directly translated, the sentence makes no sense.

Decrypted sentence is:

'Do you think I do it better when I play games with a little girl or a little boy?'

Or this Email:

'Obama will spend about USD 65.000 flying in pizza/dogs from Chicago for a private party at the White House.'

Decrypted, the sentence should read:

[Ever heard about #Pizzagate ?](#)

'Obama has spent USD 65.000 to fly in from Chicago girls and boys for an Orgy in the White House.'

AN ORGY WITH CHILDREN, because the normal understanding makes no sense, flying in pizza and hot dogs from Chicago for this gigantic amount, where but in the White House, the rule is that no food comes from the outside and it is all prepared in the own (WH) kitchen, and a fine menu of the chefs served for the guests and for sure not cheap fast food.

Or this Email from Cheryl Mills to Hillary Clinton with the # 14333:

'I will be sacrificing a chicken in the backyard for moloch.'

Directly translated:

'I'll have a chicken sacrifice in my backyard to the Moloch.'

In the gay language means chicken 'an underage boy, and 'Moloch' is a biblical bull-headed idol, whom were sacrificed children by fire.

About the ritual murder of a child, Hillary becomes informed !

So, again why is clear ... **Hillary is a Satanist** !

You need to puke ?

But it goes on ...

Whereas the **#Pizzagate**, it is not only the secret language around the Pizza, but much more about the places where child defilement, child abuse, child molest, child rape and child sacrifice takes place, namely, in the cellars of pizzerias in the vicinity of the White House in Washington.

Hard to believe, Hillary Clinton and George Soros have donated large sums of money to these pizzerias, and Hillary and Obama have stayed there often.

Why donate money to pizzerias, and why be there often ?

The 'pizzas' are so delicious, ... so, the children ?

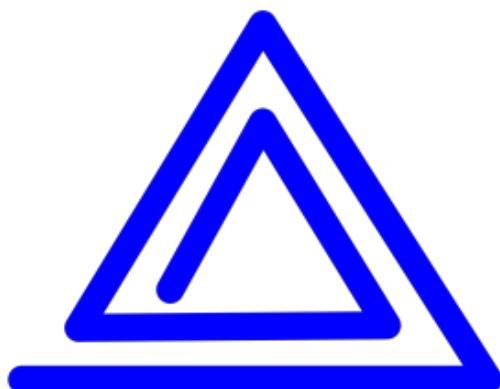

One of these pizzerias is Besta Pizza.

Besta is Portuguese for 'beast'.

Why would anyone give his Pizzeria a negative name like beast ?

The logo of this shop consists of a symbol from the child molester scene, because the FBI has identified

this form of the triangle as an indicator.

Meanwhile, Besta Pizza changed their logo:

Who is the owner of this Pizzeria ?

His name is Andrew Kline, and he comes from the Law Enforcement Department for Human Trafficking, the U.S. Department of Justice.

This means to put the fox in charge of the henhouse !

Unbelievable:

A pedophile to protect its own 'fellows' from persecution and has a pizzeria with the pedophile symbol as the logo discernible for the Insider, where they meet to celebrate their orgies with the

children in the cellar.

Right across the street from Besta Pizza is a pizzeria with the name TERASOL, so the earth and the sun, where Hillary Clinton was often seen and also on the website, prominently as a guest.

The logo of this pizzeria also shows paedophiles symbols, namely, the heart within the heart, and the big hand and therein a small hand.

In the vicinity there is an other pizzeria, which is named 'Comet Ping-Pong', which logo consists of satanic symbols, crescent moon and star !

The owner is [James Alefantis](#), a pedophile who is friends with Tony Podesta, a pedophile, ([image below](#)) the brother of John Podesta, the campaign Manager of Hillary Clinton who celebrates satanic rituals of the Satanist Marina Abramović.

In the basement of the Pizzeria there is a room with Ping-Pong tables where children be attraced, and can play ([next page](#))

Look, what kind of a 'work of art' by Kim Noble is on the wall:

It shows a man, raping a child, with a cloth ('map') underneath, for receiving the body fluids, and other people stand around and watch.

You can see how the soul of the child escapes.

Kim Noble, 55, lives in London and has dissociative identity disorder (DID) or multiple personalities, up to 100, so earlier we would have said 'possessed by the devil' and painted these hideous pictures about child abuse and child victims, what is actually referred to as an 'art' and bought.

Here is a 'work of art' by Kim Noble which shows the rape of a child :

Therefore, probably Noble to suffer from DID because she was herself used as a child to be systematically ([Illuminati](#)) and extremely raped, and because of the displacement of the trauma of this split personality.

The images are painted from one of her many personalities.

President Obama has held a fundraiser there in the pizzeria, Comet Ping-Pong.

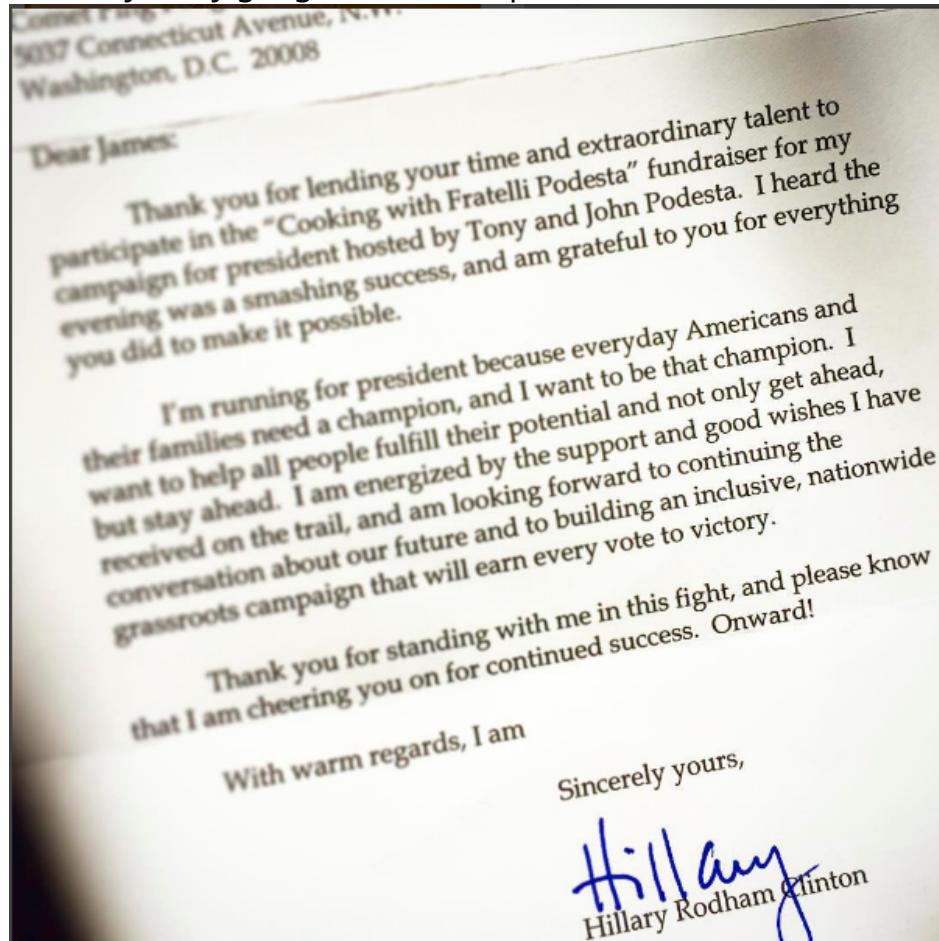

John Podesta has also organized a fundraiser for Hillary.

Why there ?

And why Hillary and Soros have donated money to this pizzeria ?

You now have an idea what **#Pizzagate** is and what's going on in this district in Washington ?

Alone if #Pizzagate was the only reason we can be thankful that Hillary Clinton and all her fiendishly kinky gang came not to power.

[Click image to enlarge](#)

Here <https://i.sli.mg/FdKwir.png> **Hillary Clinton** expresses her thanks to Podesta for the support of the Fund-raising 'Cooking with Fratelli Podesta'.

These perverts who commit crimes against children, are everywhere where the political power is gathered.

We see, in the case of Marc Dutroux, in Brussels, and Jimmy Saville in London.

Judges, prosecutors, journalists, industrialists, bankers, and the 'christian church' belong to the political power elite.

What we noticed is only the tip of the tip of the iceberg, because the perpetrators are very strong protected, and regarded and praised as excellent renowned state artists !

Protected by the policy, which prevents the police to carry out prosecution, but mostly, the media protect them.

The people know about it ?

No.

Do they want to know it ?

No !

'All that is necessary for the triumph of evil is that the good do nothing'

- Edmund Burke, 1756

They prefer to believe in their political correct ideal world within their own formed concept of the Matrix, and Bill and Hillary Clinton, and Michelle and Barack Obama and Jill Stein from the so called 'Greens' in the US, the British Royal Family and George Soros and Bill Gates and Angela Merkel, who display an incredible hypocrisy, but behind the mask, devilishly.

#Pizzagate -- Jill Stein gets money at USD 166.000 PER HOUR -- Now USD 5,5 Million!
